

Silex Clarity SP2000

Portable USB and 2.4Ghz speakerphone

Silex Clarity SP2000 is a business grade 2.4G speakerphone. Ideal for small to medium conference rooms and home offices, it can also be used as a personal portable device for online teachers, and business travelers. It brings the latest Sonic Clear IV high-definition voice processing technology thus providing crystal clear HD voice for music, calls and multimedia applications. Laptop or tablet speakers and microphones will be instantly replaced for an upgraded sound quality and an increased voice pick up range. For users on the move, Silex Clarity SP2000 offers up to 4 hours of talk time.
