

Silex EdTech PTS2K

Portable USB High-Definition touch screen

Silex EdTech PTS2K is a high-definition sleek 15.6" touch screen. It is designed as a complementary screen to display, share, and annotate content. This ultra-thin portable touch screen easily connects to any laptop or smartphone and makes a perfect annotation tool for remote teaching and for more dynamic presentations. Content can be shared with remote participants through the video conferencing client in use, thus leveraging interactive teaching.

Main features

- 1080P HD imaging
- 15.6" annotation touch screen
- Connects to Laptops or smartphones using USB type C or Mini HDMI
- Compatible with laptops and smartphones with extended mode / mirror mode
- Supports HD 1080P input
- Content from PTS2K can be shared with remote participants from the videoconferencing software used on the main Laptop or phone.
