

Silex EdTech PTS4K

Portable Ultra HD touch screen

Silex EdTech PTS4K is an Ultra HD sleek 15.6" touch screen offering clear and vivid images. It is designed as a complementary screen to display, share, and annotate content. This ultra-thin portable touch screen easily connects to any laptop and most smartphones and makes a perfect annotation tool for remote teaching and for more dynamic presentations. Content can be shared with remote participants through the video conferencing client in use, thus leveraging interactive teaching.

Main features

- Ultra 4K imaging
- 15.6" annotation touch screen
- Connects to Laptops or smartphones using USB type C or Mini HDMI
- Compatible with laptops and smartphones with extended mode / mirror mode
- Supports HD 1080P input
- Content from PTS4K can be shared with remote participants from the videoconferencing software used on the main Laptop or phone.
